Re: Art & Design visit to Manchester Art Galleries

Dear Parent/Guardian

I am writing to inform you of a change to our educational visit on Wednesday 11th October. As there was insufficient uptake for the London trip we will now be meeting in Manchester to visit The City Gallery and The Whitworth gallery. The purpose of the visit is for students to develop their skills and understanding of Art. The deposits paid for London will be refunded.

On the day

We will be meeting at the large departure board at Piccadilly station at 09:30. **Students are responsible for making their own way to and from the station and they will be dismissed for the day at 14:15 from there.** I will be catching the 09:06 from Macclesfield in the morning and students are welcome to meet me at the station platform at 09:00 to travel together. I will be catching the 14:25 from Piccadilly to Macclesfield on my return. The cost of an off-peak return from MAC to PIC is £11.80.

Year 13

In developing their main coursework project, students will be given the opportunity to consider their theme and engage in works of Art and design to support their initial work in researching and recording. This will form the basis for the practical and written component of their Personal investigation.

Year 12

Research and critical links will help students develop their theme of Natural forms.

I advise that students must bring their sketchbook, drawing equipment and a camera or mobile device with a camera feature to record and collect visual information. Comfortable clothing and sensible footwear are required as we will be walking around the city. Students can bring a packed lunch or there are some take away outlets near the Whitworth, where we will be eating lunch in the grounds.

I hope your child can attend and I look forward to it being a great day out!

Yours faithfully

Mr P McSwity
