Dear Parent / Carer

Congratulations and Welcome

Congratulations on securing a place at All Hallows Catholic College for your child.

The number of first preferences received for the College shows that your child is joining a community where our parents have actively chosen All Hallows for its emphasis on traditional Christian values, coupled with a belief that together we should help young people *'Aspire not to have more but to be more'* and to **SHINE**.

We are looking forward to a strong partnership and support with your family for our high expectations with regard to academic study and standards of behaviour & uniform. We also look forward to your support for the reflective and spiritual learning your child will receive which is a unique and special experience in our Catholic Voluntary Academy. For those of you who are already parents of a child at All Hallows, welcome to another beginning.

We will be doing all that we can over the coming months to make sure we know as much as possible about your child. Our staff will be visiting all Primary schools to talk with the children and class teacher, and we will also be making requests for information about their social and academic progress so that decisions can be made about tutor and teaching groups.
