Principal - Mr T Beesley

10 May 2022

Dear Parent / Carer,

Please find attached to this letter the Year 9 End of Year Assessment timetable. Assessments will take place within lessons starting 16 May with the majority 23-27 May. **This replaces the letter sent Friday to include an amendment to the Maths Exam. Students will be issued a physical copy of this today.** The assessment timetable and revision lists have also been shared with students on 'Show My Homework'.

- It is the responsibility of each student to attend examinations with all the expected and correct equipment that they will need for the exam; this includes calculators, pencils etc. There will be no opportunity for students to borrow equipment.
- All pencil cases must be transparent. Students are expected to have more than one black-inked pen, so that if a pen runs out, or breaks, they can continue with the examination as quickly as possible. In examinations, students are only allowed to write in black ink / biro, etc.
- Bottled water is allowed if there is no label on the outside of the bottle.
- The following items are not allowed in the classroom when exams are taking place: confectionery, mobile phones, and any web-enabled / smart watches.

I know that you will continue to encourage your son / daughter to work hard in order to achieve their full potential throughout these assessments. The outcome of these assessments will be communicated with you via an end of year report. If you have any concerns regarding these assessments, please communicate with either the Subject Leader (if it relates to something subject specific), your child's Year Learning Leader or myself.

Yours sincerely,

M Beesley
