*This policy has been amended in the light of the Statutory Guidance '[Cost of school uniforms](#)' 19 November 2021 and in consultation with the College Council, elected to represent the views of the student body.*

Parents, teachers and students work together to ensure that the highest possible standards are maintained in all areas of College life at All Hallows. A student's willingness to wear the correct uniform accompanies an attitude to College, which usually maximises success in learning and personal development. It also indicates a family's commitment to the values and ethos of the College, which is crucial to the growth and development of our young people.

There are a number of good reasons for having a College uniform:

- It is a sign of commitment, pride and a badge of belonging to our College
- It is a way of avoiding an expensive 'fashion contest' in College
- It keeps young people focused on their studies
- It helps maintain equality among students. College works with a local uniform suppliers Classworx who stock College specific uniform items while many of our uniform items can be purchased from the High Street.

The College also stock a supply of good quality 'used' uniform items donated to the College.

The uniform, which is clearly described in the policy while it provides a choice of items, is compulsory for all students. The Principal and his staff reserve the right to determine acceptable standards of dress and appearance with reference to this uniform policy. The aim is to help students learn that dress codes are a fact of life, and that 'dressing for success' is a good preparation for adult and working life.

All Hallows uniform is strictly enforced with rewards for students who 'wear the correct uniform in the correct way' and sanctions for those who refuse to conform. [See the Rewards and Behaviour Policy]. In rare cases where students arrive in College incorrectly dressed, parents will be contacted with a request to bring the correct items to College or there will be an expectation that loan items will be worn if available. Parents should provide their child with a written note if there is a good reason why they are temporarily not wearing the full College uniform. In cases of financial hardship, parents/carers should contact their child's Year Learning Leader for confidential advice.

It is expected that full College uniform is worn correctly during the College Day and on journeys to and from College.

We are confident that our parents will always understand the need to support the College to make sure that our high standards of uniform are maintained. Please do not allow your child to persuade you to buy non-uniform items, as this will cause unnecessary expense and heartache. It is vital that we as adults (College and parents/carers working in partnership) help our children to grow and mature by setting clear boundaries.
