Principal - Mr T Beesley

Dear Parent / Carer,

As mentioned in last week's newsletter, the dates of the Year 10 Mock Examinations have been rearranged. Please find attached to this letter the Year 10 Mock timetable. All students will receive a paper copy of the attached timetable during form time next week. These exams begin on Monday 24<sup>th</sup> May and finish on Thursday 10<sup>th</sup> June. For most subjects there are two exams, with one before the May break and one afterwards. These exams will be take place in classrooms; however, those students who have exam access arrangements (e.g. extra time) will be graded this.

Revision lists for all subjects should now have been posted on Show My Homework. Please do ask you son / daughter to speak to their class teacher if they are unable to find these revision lists. All students are to remain in College throughout the examination period. Even though these mock exams are being held in classrooms, rather than the hall (which, under non-Covid circumstances would have been the case), it is still important that all students get into good habits regarding appropriate behaviour during exams.

The following points are therefore of the utmost importance:

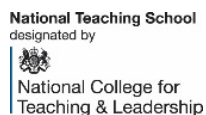

- It is the responsibility of each student to attend examinations with all the expected and correct equipment that they will need for the exam; this includes calculators, pencils etc. There will be no opportunity for students to borrow equipment
- All pencil cases must be transparent. Students are expected to have more than one black-inked pen, so that if a pen runs out, or breaks, they can continue with the examination as quickly as possible. In examinations, students are only allowed to write in black ink / biro, etc
- Bottled water is allowed if there is no label on the outside of the bottle
- The following items are not allowed in the classroom when exams are taking place: confectionery, mobile phones, MP3 players and any web-enabled /smart watches

I know that you will continue to encourage your son / daughter to work hard in order to achieve their full potential throughout these mock examinations and indeed for the remainder of the year. The outcome of these assessments will be communicated with you via an end of year report.

If you have any concerns regarding these assessments, please communicate with either the Subject Leader (if it relates to something subject specific), Miss Gowing (Year Learning Leader) or myself.

Yours sincerely,

**G. Roberts**
