

# AHCC Reading Passport

## Where will your reading take you?

The English Department are keen to encourage everyone to read as widely as possible. We are launching a Reading Passport.

There are 4 stages – bronze, silver, gold and platinum. Everyone starts by aiming to achieving the ‘Bronze Award’ and the goal is to travel to the ultimate destination of a ‘Platinum Award’. You can have a look at the passport and what you have to do on the school website. If you want to take an Accelerated Reading quiz as part of your Award you can do so by logging on to the school system remotely and going to ‘Renaissance Edge’.

Please also look at the reading lists to get some ideas of the kind of books you could read. There are plenty more options on <https://www.lovereadng4schools.co.uk>

On your return to school, you will be issued with a Reading Passport to keep track of your progress towards each award. In the mean time, keep a record for yourself and let your English teacher know what you have done.

If you have any questions, please contact your English teacher.
